I/We hereby declare that:  Every error in the patent which was corrected in the present reissue application, and which is not covered by the prior oath(s) and/or declaration(s) submitted in this application, arose without any deceptive intention on the part of the applicant.	Je(nous) déclare(ons) que :  Toute erreur dans le brevet qui a été corrigée dans cette demande de redélivrance et qui n'est pas couverte par le présent serment ou déclaration soumis à cette demande, s'est produite sans intention de tromper de la part de l'applicant.
<p><b>WARNING:</b></p> <p>Petitioner/applicant is cautioned to avoid disclosing personal information in documents files in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a patent or application. This type of personal information is included in documents submitted to the USPTO. Petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO.</p> <p>Petitioner/application is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.</p>	
<p>I/We hereby declare that all statements made herein of my/our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.</p>
